Issued by **Linkem S.p.A.**

Linkem S.p.A. (the “Issuer”) hereby gives notice of an additional call of a meeting (the “Meeting”) of the holders of the EUR 170,000,000.00 Floating Rate Senior Secured Notes Due 9 August 2022 (the “Notes”) previously called in first call, on 9 December 2021, at 6.00 pm (Central European Time) and in second call, on 21 December 2021, at 12.00 pm (Central European Time) – calls on which the Meeting has not been constituted – for the purpose of considering and, if thought fit, approving the following resolutions:

**“Issuance of further additional notes for an aggregate principal amount of up to
EUR 50,000,000.00 and related amendments to the terms and conditions of the Notes;
relevant and consequent resolutions”.**

Therefore, the Issuer hereby gives notice of an additional call of the Meeting via teleconference only (pursuant to section 106, paragraph 2, Italian Law Decree no. 18/2020) to be held

on 20 January 2022, at 5.00 pm (Central European Time)

for the purpose of considering and, if thought fit, approving the abovementioned resolutions (the link for the teleconference connection will be communicated separately to the interested parties).

For Your convenience, please find below the description of the key terms of the resolutions submitted for Your approval as well as the general rules that govern the holding of the Meeting and Your attendance as also described in the first convening notice delivered to the Noteholders on 5 November 2021.

Terms used but not defined in this convening notice shall have the meaning assigned to them in the terms and conditions of the Notes (the “Conditions”) or in the trust deed dated 9 August 2019 (as amended and supplemented on 7 April 2021, the “Trust Deed”).

I. Proposed Resolutions - Key Terms of the Further Additional Notes

The main proposal for the resolutions to be tabled at the Meeting is that the principal amount of the Notes be increased by up to Euro 50,000,000.00, from the current Principal Amount Outstanding of Euro 170,000,000.00 to an aggregate Principal Amount Outstanding up to Euro 220,000,000.00 (the “Extraordinary Resolutions”).

The newly-issued additional notes to be issued following the increase of the principal amount of the Notes (the “Further Additional Notes”) would have the main following terms:

(a) **Issuance.** The Further Additional Notes would be issued, in one or more tranches, subject to the approval of the Extraordinary Resolutions of the holders of the Notes.

(b) **Offer for Subscription.** The Further Additional Notes would be offered and sold at discretion of the Issuer, indicatively (i) outside the United States in an offshore transaction in reliance of Regulation S and (ii) within the United States under an exemption available from the registration requirements under the Securities Act and available exemption under applicable state law.

(c) **Principal Amount.** The Further Additional Notes would have an aggregate principal amount of up to Euro 50,000,000.00, subject to final determination and certain limitations under the Conditions, at the discretion of the Issuer.

(d) **Terms and Conditions.** The Further Additional Notes would be governed by the Conditions and will generally have the same terms and conditions of the Euro 50,000,000.00 of additional notes issued by the Issuer in the month of April 2021.

(e) **Same Class.** The Further Additional Notes would be consolidated with, and will be part of the same class as, the Notes, so that the holders of the Further Additional Notes will benefit from the same rights as the holders of the Notes.

(f) **Global Registered Form.** The Additional Notes would be initially issued in global, fully registered form.

(g) **Trust Deed.** The Further Additional Notes would be constituted by, subject to and have the benefit of the Trust Deed entered into between the Issuer and the Trustee, as it would be supplemented by a supplemental trust deed to be entered into between the Issuer and the Trustee.

(h) **Securities.** The Further Additional Notes would be secured on a senior secured basis pursuant to the Security Documents, as they will be amended or supplemented following the issuance and subscription for the Further Additional Notes, on a *pari passu* basis with the holders of the existing Notes.

II. Quorum and Majority

Pursuant to section 2415 of the Italian civil code, paragraph 1, no. 2, the modification of any term of the Notes is subject to the approval by a meeting of the holders of the Notes, such as the Meeting.

Pursuant to the Trust Deed and to Condition 18.6, the Meeting will be validly held if there are one or more Voters present holding or representing at least 66.7% of the Principal Amount Outstanding of the Notes, and the Extraordinary Resolutions are passed if approved by Voters holding or representing at least 66.7% of the Principal Amount Outstanding of the Notes.

Further rules in respect of the holding of the Meeting are set forth in schedule 4 (*Provisions for Meetings of Noteholders*) of the Trust Deed.

III. Admission to Vote - Attendance and Voting

All the Notes are represented by two global notes deposited with Deutsche Bank AG, London Branch as common depositary for, and registered in the name of BT Globenet Nominees Limited as a nominee of Clearstream Banking, S.A. ("Clearstream, Luxembourg") or Euroclear Bank SA/NV ("Euroclear"; Clearstream, Luxembourg and Euroclear, the "Clearing Systems"). For the purposes of the Meeting, a "Noteholder" shall mean each person who is for the time being shown in the records of Euroclear or Clearstream, Luxembourg as the holder of a particular principal amount outstanding of the Notes.

In accordance with the terms set forth in schedule 4 (*Provisions for Meetings of Noteholders*) of the Trust Deed, Noteholders will be entitled to attend and vote at the Meeting:

- (a) by requesting the Tabulation Agent to issue a Block Voting Instruction (as these terms are defined in Paragraph IV below) by arranging for the relevant Notes to be blocked in an account with the relevant clearing system and by delivering to the Tabulation Agent written instructions by no later than the Record Date and Time; or
- (b) by executing and delivering a Form of Proxy (as this term is defined in Paragraph V below) to the Tabulation Agent by no later than the Record Date and Time.

"Record Date and Time" means the date and time falling 48 hours before the date of the Meeting, namely **on 18 January 2022, at 5.00 pm (Central European Time)**.

Block Voting Instructions and/or Form of Proxies submitted before the date of this notice in connection with the first and second call of the Meeting will be deemed automatically valid and effective with respect to the Meeting without any specific action on the part of the voting Noteholders.

The Extraordinary Resolutions shall be binding upon all Noteholders whether or not present at the Meeting and irrespective of how their vote was cast at the Meeting and each of the Noteholders shall be bound to give effect to them accordingly.

IV. Block Voting Instruction

A Noteholder wishing to vote in favour of, or against, the Extraordinary Resolutions may submit an irrevocable electronic voting (each a “Block Voting Instruction”) through the relevant Clearing System to GLAS Specialist Services Limited, acting as tabulation agent (the “Tabulation Agent”), in accordance with the procedures of, and by the earlier deadlines specified by, such Clearing System for receipt on or prior to the Record Date and Time.

For such purposes, each Noteholder must block the Notes in its account until the Record Date and Time in accordance with the usual operating procedures of the relevant Clearing System. Block Voting Instruction of voting instructions once given cannot be revoked.

By delivering a Block Voting Instruction through the Clearing Systems, Noteholders are deemed to authorise the relevant Clearing System to (a) disclose the identity and contact email address of both the beneficial owner of the relevant Notes and any custodian to the Issuer, and (b) confirm to the Issuer, the Trustee and the Tabulation Agent, the outstanding principal amount of Notes held by the Noteholder and in respect of which the Noteholder has expressed its vote in favour or against the Extraordinary Resolution.

Each Noteholder voting in favour of, or against, the Extraordinary Resolutions through the Clearing Systems will be deemed to have instructed the Tabulation Agent to vote on its behalf in the Meeting - as the case may be - in favour of, or against the Extraordinary Resolution.

V. Form of Proxy

A Noteholder wishing to vote in favour of, or against, the Extraordinary Resolutions may execute and deliver to the Tabulation Agent a document in the English language signed by it or, in the case of a corporation, executed under its seal or signed by a duly authorised officer, and delivered to the Tabulation Agent not later than on the Record Date and Time, instructing the Tabulation Agent to vote in the Meeting in favour of, or against, the Extraordinary Resolutions in respect of the Notes held by such Noteholder (the “Form of Proxy”).

A model of Form of Proxy will be available to the Noteholders upon written request to the Tabulation Agent and/or the Issuer.

The Form of Proxy shall be delivered by the Noteholders to the Tabulation Agent together with proof of holding of the Notes in respect of which the relevant Noteholder is exercising the right of vote.

The Tabulation Agent shall attend the Meeting on behalf of the Noteholders having delivered the Form of Proxy and shall vote in the Meeting in favour of, or against, the Extraordinary Resolutions according to the voting instructions set forth in the Form of Proxy.

This notice is being published on the website of the Vienna Stock Exchange (www.wienerborse.at) and on the Issuer's website (www.linkem.com) and is also be distributed to the Noteholders through Euroclear and Clearstream.
